I. AUTHORITY AND PURPOSE

The Corporate Governance and Nominating Committee (the “Committee”) of McGrath Rentcorp (the “Company”) is appointed by the Company’s Board of Directors (the “Board”). The Committee shall assist the Board in all matters relating to (a) the establishment, implementation and monitoring of policies and processes regarding the recruitment and nomination of candidates to the Board and committees of the Board; (b) the review and making of recommendations to the Board regarding the composition and structure of the Board and committees of the Board; (c) the development, evaluation and monitoring of the Company’s corporate governance processes and principles; (d) the development, implementation and monitoring compliance of the Company’s Code of Business Conduct and Ethics (the “Code”) and making recommendations to the Board regarding revisions to the Code from time to time as appropriate; and (e) the administration of the Board’s annual self-evaluation process and the sharing of the results thereof with the Board for discussion and deliberation. The Committee’s policies and procedures should remain flexible in order to best react to changing conditions and to ensure to the Board and the Company’s shareholders that the composition, practices and operation of the Board and the corporate governance practices of the Company are in accordance with all requirements and are of the highest integrity.

II. COMMITTEE STRUCTURE & MEMBERSHIP

1. At Least Three Members. The Committee shall be comprised of three or more “independent” directors (as defined in Section II(2) below) as determined by the Board. The Committee members shall be appointed by the Board and shall serve at the discretion of the Board. The Board shall designate a Committee member as the Chairperson of the Committee, or if the Board does not do so, the Committee members shall appoint a Committee member as Chairperson by a majority vote of the authorized members of the Committee.
2. Independence. Each member of the Committee shall be “independent” as defined in the listing standards of the Nasdaq Stock Market or such other national securities exchange on which the Company’s securities are then listed, as the same may be amended from time to time (the “listing standards”), the rules and regulations (“SEC regulations”) of the Securities and Exchange Commission (the “SEC”) and any other laws applicable to the Company. No Committee member shall be an affiliated person of the Company or receive any compensation other than in his or her capacity as a member of the Committee, the Board of Directors or other Board committee, or as otherwise permitted by the listing standards and the SEC regulations. Each Committee member must also be a director who is free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director.
3. Appointment. The Board shall appoint, on a yearly basis, the Committee members at the first meeting of the Board following the Annual Meeting of Shareholders. Members of the Committee shall continue to be Committee members until their successors are appointed and qualified or until their earlier retirement, resignation or removal. Any member may be removed from the Committee, with or without cause, by the approval of a majority of the directors then serving on the Board. The Board may fill any vacancies on the Committee by a majority vote of the directors then in office.

4. Subcommittee. The Committee shall have the authority to delegate any of its responsibilities to subcommittees as the Committee may deem appropriate; provided the subcommittees, if any, are composed entirely of independent directors, as defined in Section II(2) above.

III. MEETINGS

1. Meetings. The Committee shall meet as often as it determines necessary or advisable, but not less frequently than two times per year and in executive session at least once a year. The Committee may also hold special meetings or act by unanimous written consent as the Committee may decide. As permitted in the Company's Bylaws (the "Bylaws"), the meetings may be in person or telephone. The Committee shall keep written minutes of its meetings and shall deliver a copy of such minutes to the Board and to the Corporate Secretary of the Company for inclusion in the Company's minute books. The Committee may request any officer or employee of the Company or the Company's independent counsel to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. Notwithstanding the foregoing, the Committee may also exclude from its meetings any persons it deems appropriate, including but not limited to, any director who is not a member of the Committee.
2. Procedures. The Committee may establish its own procedures, including the formation and delegation of authority to subcommittees, in a manner not inconsistent with this Charter, the Bylaws, the listing standards, SEC regulations or other applicable laws or regulations. The Chairperson or majority of the Committee members may call meetings and set agendas of the Committee. A majority of the Committee members shall constitute a quorum for the transaction of Committee business, and the vote of a majority of the Committee members present at the meeting at which a quorum is present shall be the act of the Committee, unless in either case a greater number is required by this Charter, the Company's articles of incorporation, the Bylaws, the listing standards, SEC regulations or other applicable laws or regulations.
3. Reports. The Committee shall keep minutes and report its actions and recommendations to the Board after each Committee meeting. The Committee may also make such other reports to the Board as necessary, which reports shall include any recommendations the Committee deems appropriate.
4. Committee Resources. The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain a search firm to be used to identify director candidates. The Committee shall have sole authority to retain and terminate any such search firm, including sole authority to approve the firm's fees and other retention terms. The Committee shall also have authority, to the extent it deems necessary or appropriate, to retain other independent advisors, including outside legal counsel. The Company will provide for appropriate funding, as determined by the Committee, for payment of compensation to any search firm or other advisors employed by the Committee.
5. Performance Evaluation. The Committee shall annually review and assess the adequacy of this Charter and recommend any proposed changes to the Board for approval. The Committee shall perform an annual evaluation of its own performance, which shall compare the performance of the Committee with the requirements of this Charter. The report to the Board may take the form of an oral report by the chairperson of the Committee or any other member of the Committee designated by the Committee to make this report.
